Business Solutions for **Maximum** Performance

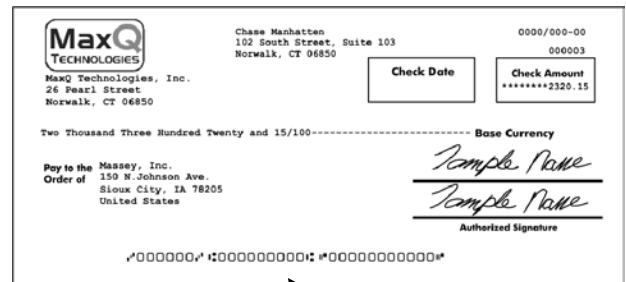

AP/PR Laser Checks for Dynamics SL

Financial Management Series

Description

MaxQ's AP/PR Laser Checks module for Dynamics SL is designed to leverage your investment in Microsoft Dynamics by eliminating the need to purchase preprinted checks. Check printing with AP/PR Laser Checks is quick, easy and in your control. Using familiar screens, AP/PR Laser Checks produces custom laser checks for an unlimited number of companies and bank accounts on blank check stock; including logos and digitized signatures.

Easy setup using familiar screens for custom laser check production — Unlimited companies, bank accounts, logos and multiple signatures.

Print checks the way you want them to look.

Benefits

Superior Processes. Built in security allows for additional signature requirements on checks.

Greater Optimization. Includes a MICR True Type font to handle MICR encoding and a powerful report designer for easy check format modifications.

Seamless Integration. Seamless integration with Dynamics SL.

Reduced Costs. Eliminates the need for costly preprinted checks. Prints high quality laser checks on blank stock using your printer.

Increased Efficiency. Handles an unlimited number of bank accounts. Easily change company and bank information or logos.

Valuable Analysis. Provides digitized signatures with maximum dollar amount security.

AP/PR Laser Checks for Dynamics SL

Print checks easily from the standard Dynamics SL check printing screen.
